Officer Reports

From the President...

Where is summer going and why is it so hot and humid?!? I am the odd ball (in many ways, per Jay) but give me the cold instead of this hot! Florida living is probably not in my future.

Haven't asked Sheila in her role as Governor what she's writing about in her *Sportsmate* article, so we may be duplicating each other in some ways. But that's OK since this topic doesn't get enough "talk." Once again, thanks to all of you who came out and worked the Chariton event. We can have the best venues to run on and the greatest turnout around, but if we don't have worker bees, we don't have events. So, thanks to these folks who spent the greater part of 2 days supporting the club at the Chariton event: Nan Brittain, Jay Hommer, Dave Howard, Sheri Jandik, Denny Luther, Janelle Ohmstede, Wayne Weidman, Paul Wyman and Sheila Wyman. We also had the following group of club members give up 1 day of their weekend to help the club out by working the event. They are: Jim Jandik, Larry Mark, Arda Mathern, Judi Nikolish, Wayne Nikolish and Pat Whalen.

We sometimes forget, but I also want to thank the CCI members who came down and competed in the Chariton events since this also helps support the club in its efforts to host NCCC sanctioned events. They were: Tony DiMaio, Alan Heggen, Sharon Heggen, Dave Ohmstede, Nichole Parnell, Clayton Smith, Dave Vance, Peter Vance and Pat Whalen. Hopefully the effort payed off in the fun enjoyed. The competitors from our club are like our worker bees – without them there's no NCCC sanctioned events either! You have to have the entrants to make the events happen. I know what a hassle it is to compete in the events and then get out of your car and go to a work station, but your efforts are noticed and very much appreciated!

All in all, once again this year, our NCCC sanctioned low speed autocross events were a success thanks to the many members of the club who put the time and effort into making them a success. THANKS TO ALL YOU FOLKS!!

I know you've heard the current club officers talk about the need for club members to step forward and take on an officer role in the club for next

year, but it's a very necessary part of being a member of any club – time to take your turn. The nominating committee will have met by the time the *Sportsmate* is published so I don't know what the results of their efforts will have produced. But, my hope is that we have a full slate of candidates who want to see CCI continue to be a success into 2020!

Hopping down off my soapbox now for some humor...

A guy looking in the classified ads for a used car sees a 1967 Corvette listed for \$50. Thinking it's a misprint, he decides to go check it out anyway. Arriving at the seller's residence, it's a dream car, not a scratch on it and it runs great.

"Ma'am, I want to buy this car, but the paper said it was only \$50. What do you really want for it?"

"That's right, \$50 and it's yours!"

"Excuse me for being nosy, ma'am, but why are you selling it so cheap? Is it stolen or something?"

"No, it's my husband's car. He ran off with his young secretary last month and two days ago I got a telegram from him saying to sell the Corvette and send him the money, so I am!"

Linda Hommer, President

Governor's Message...

Our club held its final competitive racing event for the season at Chariton on June 22nd and 23rd with 14 low speed autocrosses. We had a good turnout with about 30 drivers each day. Again, the weather was great even though rain was predicted throughout the weekend. We had excellent breakfasts and lunches both days provided by the Masons from Chariton. I would like to send my thanks and appreciation for all the club members who came to work. We had a great turnout of workers which always cuts down the stress of having to find people to man the corners. It was a beautiful night for the car show on the square. We had a small turnout but those that came enjoyed the pizza and hanging out. Again, I would like to send a big thank you to Diane and Clayton Smith for all they do to make this event happen.

Our next event will be a fun day on Sunday, August 18th at Nichole Parnell's home. We will be having a sanctioned people's choice car show, funkhana, poker rallye and gimmick rallye with food served after events are done. Even though the weather was a big factor last year, it was great fun. Just a reminder, if the weather is rainy and you don't want to drive your Corvette, bring out

that truck or daily driver and come and enjoy a day of entertaining fun and good food. The flyer with all the specifics is contained in this *Sportsmate*. Hope to see you there!!

Sheila Wyman, Governor

Meeting Minutes

Board Meeting, June 4, 2019

The June Board meeting was held at Union 29 in West Des Moines and was called to order by President Linda Hommer @ 7:02PM. Secretary's Report: Judi Nikolish asked the Board if there were any questions or adjustments to her past Board meeting minutes. Nan Brittain motioned to approve the report as written, seconded by Kris Howard and passed. Treasurer's Report: Nan provided the Board with solid financial results stemming from our autocross events at the Ankeny airport. She reminded the Board that the City of Ankeny received payment for permitting CCI to conduct this event and that the Ankeny airport museum received donations from our members and guests for the meals provided. The Board provided the Ankeny airport museum with a separate check last year. Kris Howard made the motion to do the same this year with the exception of increasing the dollar amount since we utilized the airport for 3 full days vs just 2 days last year. Linda Hommer seconded and the motion passed.

Vice President's Report: Kris Howard reminded the Board of our upcoming cruise to Orilla, IA set for Friday, June 14th (details posted in *Sportsmate*). June 18th is our next General Meeting at Smokey D's. And June 22nd & 23rd is our Chariton, IA, autocross event (car show on the Chariton square Saturday night the 22nd). Corner Workers needed both days. Kris also touched on the August 24th event of Vettes on the River in LeClaire, IA. Governor's Report: Sheila Wyman reported that CCI's Ankeny autocross had some 52 drivers both Saturday & Sunday and 35 on Monday (Memorial Day). In addition to Iowa, we

had drivers from the states of Ohio, Minnesota, Nebraska, Tennessee, Illinois, & Arizona. Our club received many favorable comments as to the professionalism in the manner in which we operate and manage this Ankeny autocross event. Sheila also stated that she had several bills to be paid by CCI, the largest being the repairs made to our generator. We have 11 sanctions remaining for end of year events TBD or we can give them to the Omaha club.

Competition & Social Media Director's Report: Nichole Parnell was absent and there was no report. She did advise other members that the Chariton autocross was her current focus. Member at Large Report: Steve Howard had no report other than the cruise event Kris had mentioned earlier and that our next Board meeting is at Wobbly Boots on July 2nd. Editor's Report: Dave Howard was absent – no report. Webmaster's Report: Wayne Weidmann discussed past sponsors who need to have their ads removed from *Sportsmate*. Points Director Report: Wayne Nikolish stated that our club points spreadsheets had been sent to Joe Risius for posting in our Members Only section of the website and that all points had been entered. Membership Director's Report: Jay Hommer reported our club has 126 members.

President's Report: Linda Hommer led discussion of a thank you type gift for both Dave Vance & Clayton Smith for their work and results in securing autocross venues for CCI. Announcement forth coming as approved by the Board vote. By-law work updated and approved by the Board and club membership. There was a significant amount of discussion and concern as to the Board members who will not be returning next year and who may step forward to assume these key club positions. Concerns as to appointed Board members not returning as well. Linda put together a few very well-done handouts outlining

our Club Committees with the associated responsible officer and monthly calendars listing what specific duties were to be handled during each month. Old Business: none. New Business: none. Next Board meeting: Wobbly Boots on July 2nd.

Motion to adjourn by Nan Brittain, seconded by Kris Howard and meeting adjourned @ 8:07PM.

Respectfully,

Judi Nikolish, Secretary

General Meeting, June 18, 2019

The June general meeting was held at Smokey D's BBQ and was called to order by President Linda Hommer @ 6:42PM. Guests and New Members: Ken Wilson introduced his daughter who is visiting from Arizona. Secretary's Report: Judi Nikolish said the prior month's meeting minutes are published in *Sportsmate*. Motion to approve by Sherry Jandik, seconded by Paul Wyman and passed. Treasurer's Report: Nan Brittain mentioned one correction to the Treasurer's report in the amount of \$5 additional. Our Ankeny Autocross event was a huge success as to revenue, club participation and outside of our club participation. A motion as to the dollar amount of our Club's donation to the Ankeny museum was brought to the floor. It was voted upon and approved. Motion to approve the Treasurers' report by Larry Mark, seconded by Paul Wyman and passed.

Vice-President/Social Director's Report: Kris Howard was absent – her report was provided by Steve Howard. Club cruise to Orilla, IA. had significant participation. We met for refreshments at Outskirtz Bar and then crossed the road to the Chicken (sounds familiar somehow). Following a great meal at the Chicken, we cruised to the Whalen's home in Cumming. Many thanks to the Whalen's for opening their home up for another great CCI event! Next club outing will be Friday, July 26th. Please mark your calendar and look for the details (TBD) in our upcoming *Sportsmate*. Our Club's July general meeting will be at Smokey D's and the August general meeting will be at Albaugh's in Ankeny. Details for Vettes on

the River (August 23rd & 24th) can be found in *Sportsmate* or on-line. Governor's Report: Sheila Wyman touched again on CCI's great autocross event at the Ankeny airport and then moved to our upcoming Chariton, IA. autocross event June 22nd & 23rd. Our club showed its appreciation to both Clayton & Diane Smith for their efforts in arranging this Chariton event year after year – THANK YOU Clayton & Diane!! Competition Director's Report: Nichole Parnell echoed what both Nan & Sheila had reported on both Ankeny and the upcoming Chariton event. She went on the thank to CCI "workers" for such events and requested support for Chariton. Nichole is in the process of planning a late summer funkhana, judged car show, car rallye. Details to be announced at a later date.

Editor's Report: Dave Howard echoed many positive statements as to our Orilla cruise. He spoke with the owner of Outskirtz Bar and advised us how pleased the bar owner was. Club members showed great appreciation (applause) for Dave for his many years serving our club as Editor. Dave stated he would continue on as Editor through 2020. Points Director Report: Wayne Nikolish & Nan are working out a glitch within the Excel points spreadsheet. No real issue, expect to return to normal soon. Membership Director's Report: Jay Hommer reported our club has 126 members and touched on the passing of a club member's mother. Webmaster's Report: Wayne Weidmann had no news or report at this time. Social Media Director: Nichole Parnell stated that all information has been posted. She then mentioned the Ankeny Air Show August 23rd, 24th & 25th and encouraged club support of the show. Tickets are available on-line or contact Nichole. Member at Large Report: Steve said the 50/50 pot stood at \$112 but first Jerry Ruggle won the drawing for a 'bag' provided by Tom Treska. Wayne Weidmann won the 50/50 drawing and collected \$56.

President's Report: Linda had nothing to report and asked Judi to speak to the club as to the departing CCI elected board members. Judi stated that most all current board members were departing at the close of this calendar year. She also mentioned that many of these board members have served our club for many, many years and at varying capacities. There are also appointed board members not returning in 2020.

Consequently, the nominating committee will be making calls to all CCI members requesting their participation as board members. No CCI Board Members = No CCI Club! Old Business: Dash plaques – see Nichole. New Business: Dave Vance asked if CCI would host a NCCC Convention – discussion followed. Buy & Sell: Nothing reported.

Motion to adjourn by: Sheila Wyman, seconded by Judi Nikolish. Meeting adjourned at 7:38PM.

Respectfully,

Judi Nikolish, Secretary

CCI Apparel. CCI apparel is available from Kris & Steve Howard's KSH Design Studio. Choose from long sleeve t-shirts, sweatshirts and hoodies. If you're new to CCI or just want to sport some of the latest designs, you can print the order form on Page 13 or use this link to the form:

https://docs.google.com/document/d/10zro0eP0a5-53oDLtYALP6JlowotKnPhQefaVGe8_HU/edit?usp=sharing

Custom embroidery services are now available from KSH also! Check with Kris or Steve if you want a piece of CCI apparel embroidered.

Letter to the Editor. Last year CCI's Tom Treska made a trip to the NCM in Bowling Green for a viewing of The 24 Hours of Le Mans. How do you top that? Well, there's only one way... you just have to travel to France and watch the event in person! Tom has submitted an article to us recounting this experience. WOW!! Thanks Tom. You'll find it on Page 12.

Events

Here's a wrap-up of recently held events along with a description of events on the horizon:

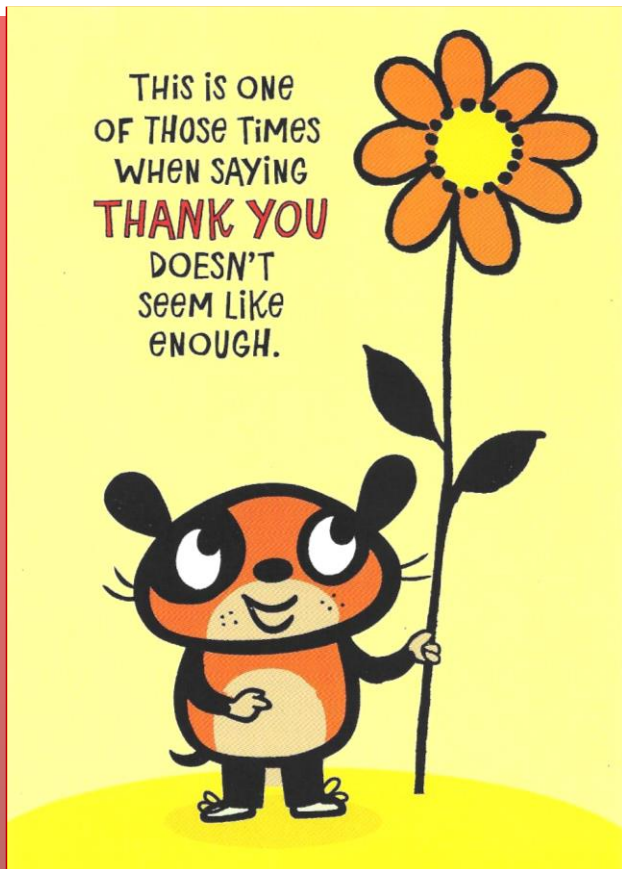

Best of Iowa Cruise. Our cruise to the Warren County community of Orilla on June 14th attracted a large crowd of about 30 club members. We began with happy hour at Outskirtz and followed up with dinner across the street at The Chicken. Pat & Shelley Whalen invited us to their home in nearby Cumming for an after-dinner visit and almost everyone took the short drive there as well. Many thanks to the Whalens! BTW... what is it about these Friday evening get togethers that makes them so popular? Hmmmm...

Flying High at the Chariton Airport.

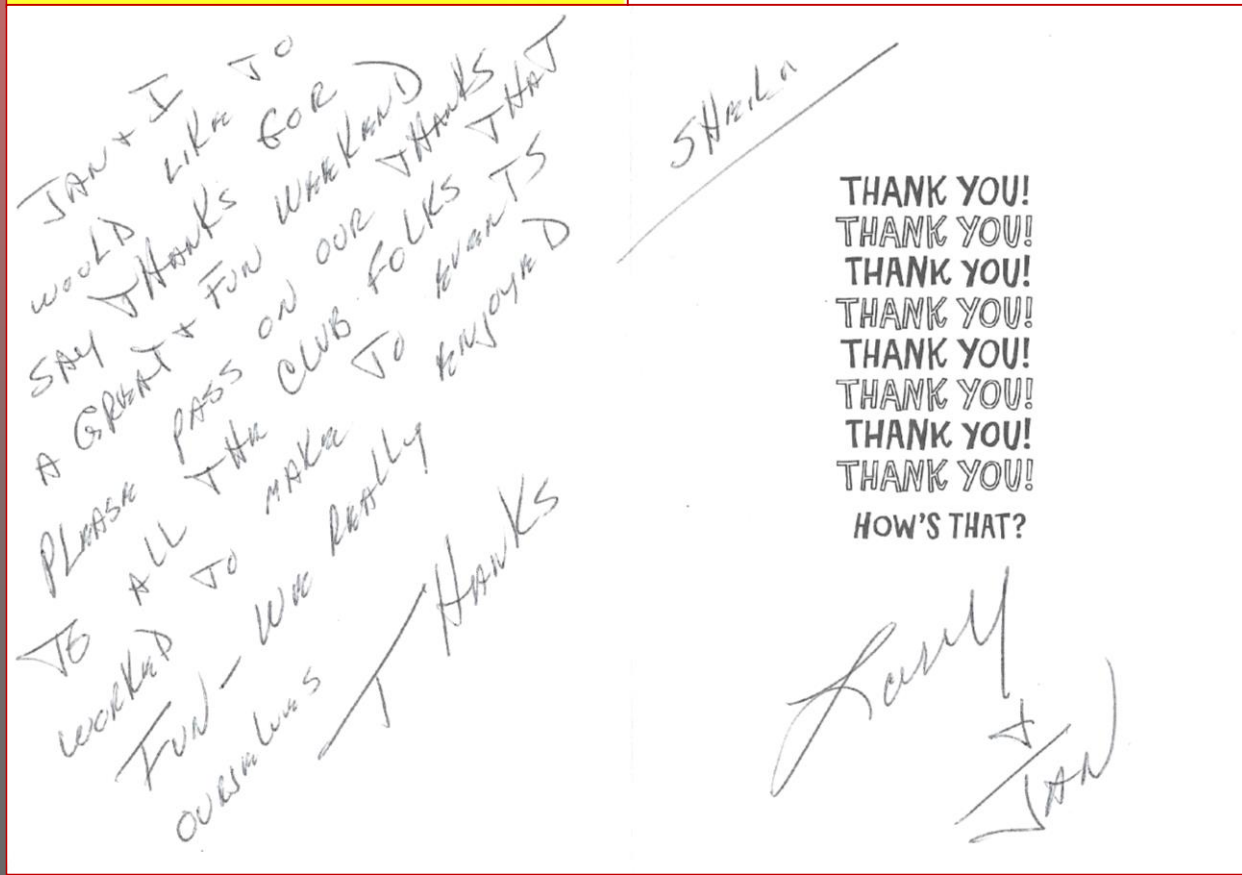

CCI hosted its final speed event of the season when our annual low-speeds took place June 22nd & 23rd at the Chariton Airport. The weather for the most part was better than predicted with only a light shower complicating racing early Saturday. The turnout was maybe a little lighter than in previous seasons but the action was every bit as exciting. Many thanks to Clayton & Diane Smith for making all the arrangements and to the folks from the Masonic Lodge for keeping us well fed.

Thank You Notes. We've received some Thank You notes related to our two speed events held in May and June. See them here and on the next page.

Corvettes at Karl. Karl Chevrolet's annual 3-day series of events that's centered around the Corvette took place last month. Several CCI members participated in the track day at Iowa Speedway and there was the usual crowd on hand to experience the thrill of running on a challenging NASCAR track. Looks like our folks had a great time! Have a look at the photos on Page 21.

Connethe Club of Iowa,

Thank you, for paying
my entry fee's to the
Chariton Event. It
was not necessary but
much appreciated. I hope

you considered Chariton a
Success. We are on
board for year #19 if that
should happen. Thank you,
again.

To: SHEILA PAUL WYMAN <pandswyman@msn.com>

Wanted to get a note off, we did not get a chance to say goodbye

You guys did a great job again as usual, we really enjoy your events

Unfortunate you were unable to draw more competitors, guessing the weather played a role in that

Share our appreciation for what you guys do with the rest of your club members

See you when we see you!

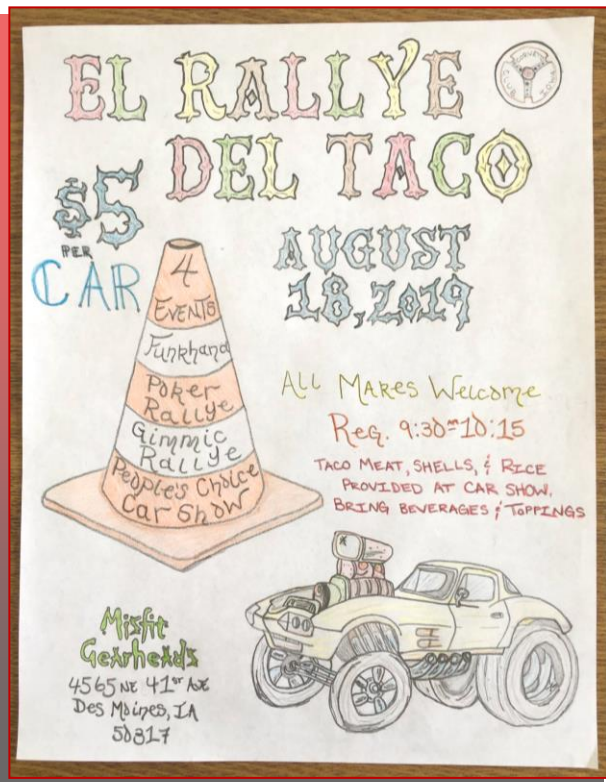

Take care!

Save the Date!

Mark your calendars and look for more details in upcoming issues of *Sportsmate*:

July 26, 2019. Fire up the Vette for a Brews & BBQ cruise. This is another in a series of Friday evening outings. Hope to see you there. You'll find all the details in the flyer on Page 14.

August 18, 2019. CCI has one last 4-event, single day activity coming up next month. All four are sanctioned, non-racing events that are geared more towards the social aspect of friendly competition, good food and just plain having fun. Nichole Parnell is once again hosting this activity at her home. The poster below explains it all but an official flyer complete with registration form appears on Pages 17-18.

August 20, 2019. Just a reminder that our August general meeting will be held at the Albaugh, Inc. headquarters. Bring a potluck style dish or dessert and browse through Dennis Albaugh's collection of classic Chevys. Details in next month's *Sportsmate*.

August 23-24, 2019. Vettes on the River is an all Corvettes show that attracts hundreds of Vettes from around the Midwest to the Davenport suburb of LeClaire, IA. Advance registration is

now open on-line. A block of rooms is reserved through August 1st at the same hotel we stayed at last year and for the same price (\$114/night):

Holiday Inn Express Davenport
401 Veteran's Memorial Pkwy
1-563-386-2300

See the flyer on Pages 15-16 for additional details.

August 23-25, 2019. If Vettes on the River isn't in your plans, consider visiting the airshow at the Ankeny Airport. It benefits the Iowa Aviation Heritage Museum. See their flyer on Pages 19-20.

June, 2019

Bonsoir! Mademoiselles and Monsieurs,

As promised last year, here comes Part 2 of my amazing 24 Hours DuMans experience. This time for real, not virtual like at the National Corvette Museum in Bowling Green last year. The first thing that stays with you is the noise. This is not a three-hour NASCAR or Indy type event. It's 24 solid, nonstop hours of shrieking, hair-splitting noise!

At exactly 3PM sharp on Saturday, June 15th, 62 cars in four different classes took off. By the end of the first day, ten cars were lost due to mechanical problems. Like last year, the numbers 7 & 8 Toyotas led the race unchallenged. The #63 Corvette C7-R ran a brilliant, steady race, continually picking up positions and leading the GT-Pro class much of the time. The less fortunate #64 Corvette had mechanical issues early and managed to struggle through the night at three places from the end. Finally at 11:30 the next morning, those mechanical issues forced the #64 to retire from the race. Soon after, the #63 hit the wall. The super-efficient C7-R team got the #63 back on the track again with the car two laps down and 50 cars running. Antonio García of Spain continued to drive an excellent race to finish at 3PM.

As expected, the #7 & #8 Toyotas took the first 2 spots overall just as they did last year. A Ferrari 488 GTE Evo took the GT-Pro class win. The C7 era has ended! The mid-engine C8 will be running next year to defend Corvette's honor. Was it an exciting experience with over 267,000 people attending? Oui! It was very much like a giant carnival spread over an 8.47-mile track. I took the optional helicopter tour in order to see the entire area, including the famous 200+ MPH Mulsanne Straight. The giant Ferris Wheel was also a great vantage point just past the famous Dunlop Bridge before the finish line. Would I do it again? Oui, Oui! But not without a real good set of hearing protectors. Luckily, it only happens once a year.

Au revoir,
Tom Treska, CCI

IOWA AVIATION HERITAGE MUSEUM

Come on out to the Ankeny Regional Airport and get involved in something big!

The Iowa Aviation Heritage Museum commemorates the history of Iowa Military Aviation and General Aviation History, from Pre-WWII to present day.

We are looking for individuals who are interested in getting involved by physical help or financial aid in our museum building, museum displays, and aircraft fleet.

There is an incredible amount of military aviation history involved in the Iowa area and we need to keep it from being lost. We are asking people who have interesting artifacts they would like to donate or display to please contact us, or better yet, get involved!

We hope to work with companies that were involved in the effort to help the United States and the world survive WWII, including remembering the struggles it took to end the War.

The Iowa Aviation Heritage Museum Welcomes The **Corvette Club of Iowa** Autocross at the Ankeny Regional Airport (KIKV)

The Iowa Aviation Heritage Museum is pleased to have you as our guests; we want all the drivers, crew and staff to have a safe and outstanding weekend.

Our purpose is to preserve Military and Aviation History, we have a focus on history from Iowa. As you look around you will see things that were made in Iowa, historically significant items from Iowa and a tribute to past, present and future soldiers, sailors and airmen.

Please make yourself welcome to any of the museum facilities.

What do we do for the community?

- Preserve history of Iowa's military and flying past, present and future.
- Provide services to veterans, military flyovers, use of exhibits for parades and other occasions.
- Promote Aviation and Safety.

How can you help?

Sign up and become a member, you will receive a monthly newsletter, free admission to the museum and invitations to special member only events.

Tax Deductable Donations, funds are needed to:

Maintain and build new and existing exhibits. Pay rent, utilities and other operating expenses. Work on vintage aircraft, these planes are restored to flying condition and used in military flyovers on special holidays, military services and other occasions.

Donate Time:

Even if you are not a mechanic there are things that we can do to teach you some new skills. Many items in racing cars came for aviation. Working on a plane or learning more about it can give you some speed tricks for your cars. Many famous race car drivers were pilots including Smokey Yunick and Carroll Shelby.

An incredible amount of Military Aviation History involves Iowa and we need to keep history from being lost. We are asking people who have interesting artifacts to donate or display to please contact us, or better yet get involved!
