Officer Reports

From the President...

Well, it is that time of the month again – time to write a *Sportsmate* article – so here goes nothing!

I know you are all tired of hearing about the officer positions that will be coming open at the end of this calendar year, but I cannot emphasize enough the importance of having candidates for these positions. The club needs folks to step up and “take their turn” at one of the positions that will be coming available, so please give it some serious consideration. I’ll start by saying that I am not going to run for the position of President again. But, it’s not because it has been a horrible or mentally tasking or time consuming position to hold. I just felt a couple years ago that I should step up and run for an officer position, so that’s what I did. I had not been President of the club before and had not held an elected position in the club in several years, so I felt it was “my turn.” I can’t speak for other officers, but I know that there will be positions open when elections roll around.

We have six elected officers – President, Vice-President, Secretary, Treasurer, Governor and Member at Large. These elected officers are then responsible for filling the five Appointed Officer positions which are Editor, Competition Director, Points Director, Membership Director and Social Media Director.

There are some positions in the club that require what I would call special skill sets. Off the top of my head, Editor and Social Media Director come to mind. I do not have the computer/social media/WORD skills to handle either one of these positions. Thank heaven, we have outstanding folks assuming these two appointed positions right now but I’m sure there are several members of CCI who do possess the skills needed to more than adequately handle these positions! We all need to “take a turn.”

The Governor position is unique too, since that person is responsible for our competition program. The competition program is the club’s money maker program. It’s the competition events that we host during the year that bring in the majority of our income every year. Everything the club does falls under the “arms” of National Council but the competition program is

“held tightly in the arms” of National Council. The Governor is responsible for the entire competition program but again, you don’t have to do this alone. We have folks who help the Governor run this program very smoothly and efficiently. The Governor is involved in all our competition events but the event in Ankeny is spearheaded by Dave Vance and the Chariton event is spearheaded by Diane and Clayton Smith. They are a huge help to the Governor in making sure these two events happen. The competition events also include the very dependable group of folks who work in the timing trailer. Thank you Sheila Wyman, Nan Brittain, Dave Howard and Wayne Weidmann for being a big part of the very dependable group that mans the timing trailer. The entire club backs our Governor and the competition program, so a big thanks to all of you!

But, every officer position in the club could be done by any one of you out there. We all have our own style of getting the job done but any of you could get the job done and do it well. And, you might actually enjoy the journey and have some fun along the way. I don’t mean to nag, but I want to see CCI continue and without everyone “taking a turn,” it will not survive to see its 55th anniversary!

Now on the lighter side...

Two schoolboys are talking to each other. One of them says that after school ends, he’ll have to go shopping with his parents because they need to buy some things. The other boy says: “Glad I don’t because now we have everything we need.” The first one asks him: “How do you know that?” He answers: “Because yesterday Dad came home in a Corvette convertible and Mom said “Honey, that’s the last thing we needed!”

Linda Hommer, President

Governor’s Message...

Doesn’t appear that Mother Nature can decide whether to be sunny, cloudy, cold, rainy, windy or warm. Welcome to Iowa! Hopefully by Memorial weekend it will be sunny and warm. Just a reminder... that along with the Iowa Aviation Heritage Museum, we will be hosting a 21-event autocross weekend on May 25-27. Flyer

with all the information is published in the *Sportsmate*. Again, we will be looking for members to come and help out. The museum provides some fantastic lunches and a supper on Saturday night.

Attended the West Region and Governor's meetings. The 2019 West Region Awards Banquet has already been planned for April 4, 2020 at the German Society Club in Omaha, Nebraska. It will be hosted by Cornhusker Corvette Club and will again be an early afternoon affair. Reported that the National Corvette Museum in Bowling Green will be hosting their 25th anniversary from August 28-31. NCCC will have a booth on August 29th and 30th to promote our organization. Next issue of Blue Bars has been mailed. For those members who have requested to receive a "soft" copy of the publication instead of a hard copy, you will not receive a notification or copy to your personal

email indicating that it has been sent out. Deadline for the articles for the next issue of Blue Bars is May 31st. The NCCC board has appointed Shannon Davis as the new Director of FCOA (Future Corvette Owners of America). Still time to register for the 2019 NCCC Convention in Denver, Colorado. The 2020 convention will be held in Indianapolis, Indiana. Still have no proposals for the 2021 convention.

Just another reminder that all members are eligible to run for any of the CCI Board positions. There will be handouts at the next general meeting describing each position. Please be sure and pick them up and consider running for one of these positions.

Sheila Wyman, Governor

General Meeting, April 16, 2019

General meeting at Smokey D's BBQ was called to order @ 6:45PM by President Linda Hommer. Linda asked if we had any new members or guests at the meeting but there were none. Secretary's Report: Dave Howard substituted for Judi Nikolish in her absence and said minutes of the abbreviated March meeting are posted in *Sportsmate*. Paul Wyman made a motion to approve the minutes as posted, seconded by Jim Lucas and passed. Treasurer's Report: Nan Brittain remarked that some sponsor income was received during the month but not much other activity to report. Motion to approve Nan's report was made by Jim Lucas, seconded by Paul Wyman and passed.

Vice-President/Social Director's Report: Kris Howard went through our upcoming social activities which include a cruise to Templeton, IA on Saturday, April 27th for a tour of the Templeton Rye Distillery, then go for dinner a little way south in Hamlin, IA. There is also a roll-in event at DMACC on May 3rd being put on by their Auto Collision program. Flyers for these two activities are in *Sportsmate*. Kris reiterated that our August club meeting will be held at Albaugh's headquarters in Ankeny. Also in August will be a road trip to Vettes on the River in LeClaire, IA on the 23rd & 24th (look for more on that in *Sportsmate*). Lastly, Kris said KSH Design will soon be offering embroidery capabilities for various club apparel. Governor's Report: Sheila Wyman said the West Region Banquet at Echo Valley Country Club on April 6th was a great success. Our Ankeny weekend over the Memorial Day holiday is a little over a month away and we will need lots of workers. Sheila also said the next WR & NCCC meetings are May 3rd & 4th.

Competition Director's Report: Nichole Parnell indicated that Sheila had covered everything about our Ankeny event. With help from Jay Hommer, Nichole handed out awards (including a few "Bob Awards") to club members who missed out on the West Region or CCI banquets. Editor Dave Howard reminded the group to look for the complete By-laws revisions in the May *Sportsmate*. Points Director Wayne Nikolish wasn't present and there was no report. Membership Director Jay Hommer reported that we now stand at 124 total members. Webmaster Wayne Weidmann said he is still looking for sponsorships for the St. Jude's cruise. Member at Large: Steve Howard reported \$60 would go to the winner of the 50/50 drawing... winner was Dave Larson. Steve had nothing additional to report. President Linda Hommer reported that different versions of the so-called "front plate bill" have resurrected in this year's legislature. Not much certainty about what, if anything will come of this. Linda also stressed again that officer nominations and position descriptions will get a lot of attention over the next several months.

Old Business: there was discussion after a question about the flooding situation at RPM near Pacific Junction and the effect it could have on CCI & Cornhuskers holding a joint event there. Still considerable uncertainty surrounding this. Pat Whalen also mentioned donations for the St. Jude's trip. New Business: after discussion of the changes to By-laws and Supplemental Rules, the position title of Information Dissemination Director (proposed to perform the combined duties of Webmaster and Social Media Director) should simply be called Social Media Director. Gary Foster then moved to put all the changes to a vote at the May general meeting, Denny Luther seconded and the motion passed. Mike Golightly talked about providing volunteers for Good Guys, Schaefer's Lubricants and passed around a flyer for the Chili King cruise night. Buy & Sell: Tom Treska is looking for 1966 Iowa license plates – needs 16 counties to complete his collection. Sheri Jandik has a Jeep cargo cover.

A motion to adjourn was made by Nichole Parnell, seconded by Kris Howard. Meeting adjourned @ 7:40PM.

Respectfully,

Dave Howard for

Events

Here's a wrap-up of recently held events along with a description of events on the horizon:

Rye & Tenderloin Cruise. The weather was... well it is Iowa, but despite that, a strong showing of 20 participated in last month's "Best of Iowa" cruise. After gathering in Johnston for breakfast, the group traveled west to Templeton for a tour of the Templeton Rye Distillery. Then it was south to Hamlin for lunch and the award-winning tenderloins to be found there at Darrell's Place. Halfway there the cruise made a brief stop in Audubon for photos alongside Albert the Bull.

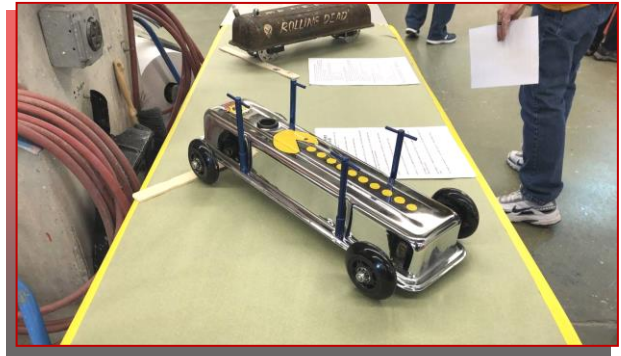

DMACC Roll-in Car Show. DMACC's Auto Collision Program roll-in event took place on May 3rd and the turnout was impressive. CCI was well represented at this early season cruise and social event for our members. You could see at least six or eight club member cars and there were reportedly around 100 total cars for this inaugural show and shine. Let's hope they do this event again soon!

More photos to enjoy on the next page too.

May 25-27, 2019. Come on out for our Memorial Weekend low-speeds at the Ankeny Airport. This popular event features 21 low-speeds and with its close proximity to the Des Moines Metro area, 60-70 racers – many of them guests – will often attend! And to top things off, a fantastic meal on Saturday evening is always a big hit. See the flyer on Pages 21-25.

June 22-23, 2019. Our annual low-speeds at the Chariton Airport are also just around the corner. This long time favorite with competitors around the region will feature 14 low-speeds and much more so don't miss out! Look for the flyer in next month's *Sportsmate*.

Save the Date!

Mark your calendars and look for more details in upcoming issues of *Sportsmate*:

June 14, 2019. It was once nothing more than a whistle crossing along the C&NW Railway line from Des Moines to Kansas City and home to a long defunct meat locker. Today the northern Warren County community of Orilla is a popular destination for Metro residents looking for a laid-back evening out. Located near the converted rail line now known as the Great Western Bike Trail, Orilla is currently home to The Chicken (yes, it's the old meat locker) and Outskirtz Bar, right

across the road and a favorite with cyclists. CCI will take a self-guided “Best of Iowa” cruise to Orilla, stopping first at Outskirtz, then heading to The Chicken for dinner. The Whalens, who are no more three miles away in Cumming have invited us to stop by for a visit afterwards. A flyer including all the directions appears on Page 20.

August 20, 2019. This is still a few months away but our August general meeting will be held at the Albaugh, Inc. headquarters so make plans to attend. We will again have the opportunity to browse through Dennis Albaugh’s fantastic collection of classic Chevys. Keep in mind that guests are welcome but they must be prospective members accompanied by a current member.

August 23-24, 2019. Vettes on the River is an all Corvettes show that attracts hundreds of Vettes from around the Midwest to the Davenport suburb of LeClaire, IA. Registration opens in June. CCI is planning another group cruise which includes club specific activities for those who take the trip. Kris Howard has a block of rooms saved at the same hotel we stayed at last year and for the same price (\$114/night):

Holiday Inn Express Davenport
401 Veteran’s Memorial Pkwy
1-563-386-2300

Stay tuned for additional details and look for the flyer in an upcoming issue of *Sportsmate*.

- Preserve history of Iowa's military and flying past, present and future.
- Provide services to veterans, military flyovers, use of exhibits for parades and other occasions.
- Promote Aviation and Safety.

How can you help?

Sign up and become a member, you will receive a monthly newsletter, free admission to the museum and invitations to special member only events.

Tax Deductable Donations, funds are needed to:

Maintain and build new and existing exhibits. Pay rent, utilities and other operating expenses. Work on vintage aircraft, these planes are restored to flying condition and used in military flyovers on special holidays, military services and other occasions.

Donate Time:

Even if you are not a mechanic there are things that we can do to teach you some new skills. Many items in racing cars came for aviation. Working on a plane or learning more about it can give you some speed tricks for your cars. Many famous race car drivers were pilots including Smokey Yunick and Carroll Shelby.

An incredible amount of Military Aviation History involves Iowa and we need to keep history from being lost. We are asking people who have interesting artifacts to donate or display to please contact us, or better yet get involved!
